Contract Terms/Propane Service Policies

- [X **Roads, driveways, and path to LP tank must be clear of snow, ice, and safe for our Propane trucks to deliver. This is the customer's responsibility.**
- [X The customer is ultimately responsible for any outages and should check the gauge periodically for accuracy.
- [X Truck routing keeps prices low. Same day delivery is $200 and after-hour delivery fee is $400.00.
- [X Petro Serve USA has the right to deliver the remaining pre-buy gallons before the contract period end date.
- [X Deliveries using contract gallons will be to FILL tank until contract gallons are depleted.
- [X The contract gallons purchased on this year's contract must be fulfilled/delivered to the patron during the specified contract dates listed above. If a patron fails to fulfill/ deliver contracted gallons, Petro Serve USA will charge a penalty to the patron. The penalty is a 25¢ per gallon charge for the undelivered gallons during the Specified Time Period.
- [X Any pre-paid contracted funds remaining, after penalty, will be credited to patron's open account.
- [X Customer Account must be current and in good standing.
